

NAB STUDIO

Produce your content where broadcast professionals produce theirs.

Book the NAB Studio Today!

Our state-of-the-art studio features the same broadcasting gear used by television stations across the country, including high-end robotic cameras, computer-controlled LED lighting and wireless audio equipment.

- 630-square-foot studio
- 28-foot curved video wall with 1.8mm pixel pitch
- Multiscreen "Flag Wall"
- Robotic multicamera capabilities
- LED lighting that can be tied to cues for the video walls
- Live streaming to Vimeo, YouTube, Facebook, Twitch and other platforms
- Multicamera teleprompting system
- Ability to connect remote talent and guests via Zoom and Teams
- Control room with editing suite

From preproduction planning to post-production editing, our experts will guide you through every step of the process.
